

Oblivion

(Text vom Ex-Gitarristen)

Your invisible appearance
Teaches you to walk carefully
You're drowning in an ocean of silence
Like a part of mortality

This can be the end
If you are your only friend

The emptiness in you
Teaches you to be careful
You're drowning in your own hell
In bitterness, like the saddest creature

This can be the end
If you are your only friend

Stay silent
Be prepared
The sickness
So feverish

No more yearning in your eyes
In your heart, in your soul
You're drowning in oblivion
This is the end of your story

This is the end
'Cause you were your only friend
